📍 DURBAN, KWA-ZULU NATAL

PROFILE

I'm an aspiring Junior Developer passionate about utilizing the power of technology to solve real-world problems. I am eager to apply my skills in front-end and back-end development in a collaborative and dynamic environment. I adapt to learning new technologies quickly. I'm passionate about writing clean, efficient code and continuously improving through feedback and self-learning. I am looking to contribute to innovative projects and grow professionally within the tech industry.
